

TODD BODINE WINS IN ST. LOUIS.

## GERMAIN RACING THROWS 13 CAUTIONS TO THE WIND FOR A 1-2 FINISH.

*Todd Bodine*

Wet weather and a record number of cautions couldn't stop Todd Bodine of Germain Racing from his second win of the season and his fifth in eight races. Teammate Ted Musgrave was a close .433 seconds right behind him. This pulse-pounding victory makes Bodine the series point leader for the first time, and also makes history as Toyota Tundras sweep the first five positions. Congratulations guys.
