TUNDRA | MOVING FORWARD ►

Our boys celebrated big-time over July 4th weekend, finishing 1st, 3rd, 4th and 5th at Kansas Speedway. Todd Bodine led the pack for Toyota's first win of the season. Bill Lester took the pole and claimed a career-best 5th. Congratulations to Todd and everyone who helped power the #30 Germain Racing Tundra to victory. Now let's keep those fireworks going. toyota.com/nascar
